By signing below, I agree to participate in the 2018 CSA season at Birch Point Farm as a member. CSA membership entails sharing the benefits and risks of small scale agriculture, and I understand that I may be blessed with an abundance of some crops, a lack of others, and just the right amount of others, as the season permits. I agree to pick up my share every week of the duration of my CSA season or make alternate arrangements in advance. My financial contribution to the farm will allow the Birch Point farmers to grow chemical -free produce for me and my co-members, improve the soil health, and build infrastructure to allow the farm to grow.
